best quality of life
possible.

**SUMMIT FOR
STEM CELL** 
VICTORY OVER PARKINSON'S

More information:

www.SummitforStemCell.org

Summit is a 501(c)(3)
organization dependent on
charitable contributions.

Tax ID# 47-4279391

BENEFITTING: All proceeds go to Summit for Stem Cell Foundation's newest project: The Wellness Center for Parkinson's Capital Campaign.

EVENT: A FUNdraiser. Musical Theatre. Dinner. Opportunity Drawings. Catered by top San Diego Chef.

WHO: Anticipate 60 dinner & show attendees;
30-50 Reserved Lawn Seat attendees (show only)

WHEN: Tuesday, June 6, 2023

WHERE: Pending...to be announced.

WHAT: To fund the Capital Campaign for the creation of a reliable resource center providing critically needed help for people with Parkinson's disease, their families, and caregivers. Programs designed by leading experts addressing education, information, and activities to name a few examples.

URGENT NEED: 60,000 San Diegans have been diagnosed with Parkinson's. 1 million Americans and 90,000 are newly diagnosed every day with Parkinson's disease. The need is great. Physicians, with their busy schedules have little time to educate and answer questions about Parkinson's disease. The Wellness Center can easily provide the answers by providing a learning resource that delivers evidence-based information enabling the ability to separate FACT from FICTION.
