

*Our Mission*

Summit for Stem Cell Foundation's mission is to support, educate and raise awareness about the development of today's and tomorrow's evidence-based regenerative medical therapies focused on **Parkinson's disease** and other neurodegenerative disorders. It is our goal to empower patients and caregivers with information to elevate their understanding in order to manage their healthcare.

**WE NEED YOUR HELP**

**The Center for Parkinson's Health and Wellness needs your support**

*A busy spring!*

**Webinar | Peter Marks, MD, PhD**

Dr. Peter Marks (Director, Center for Biologics Evaluation and Research, FDA) was a guest speaker for one of our educational webinars.

**FDA's Efforts to Facilitate the Development of Cell-Based Therapeutics**

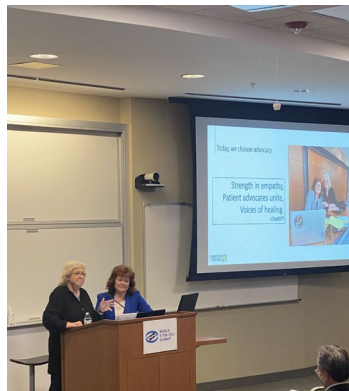

**Event | The Wedding Singer Fundraiser | Vista, CA**

Summit supporters attended our annual dinner and musical event. It was an evening filled with fun, food, laughter, and a great show! Great opportunity drawing items were available. Thank you to all of you who supported Summit at this annual event. See you next year!

**Presentation | World Stem Cell Summit | Winston-Salem, NC**

Summit President, Jenifer Raub, and Summit directors, Dr. Jeanne Loring and Melissa King attended the World Stem Cell Summit June 5<sup>th</sup>-9<sup>th</sup>. Ms. Raub and Dr. Loring were invited speakers. The duo presented on patient advocacy. The group had a great week of learning, listening, and networking with leaders in the stem cell and regenerative medicine fields. A special thank you to Bernie Siegel, Esq. for putting on such a wonderful event!
