More information:

www.SummitforStemCell.org

Summit is a 501(c)(3) organization dependent on charitable contributions.

Tax ID# 47-4279391

BENEFITTING: Summit for Stem Cell Foundation's newest project: The Center for Parkinson's Health and Wellness Capital Campaign.

EVENT: A 5K. Walk. Run. Move. Music. Fun. Food. Exhibitors. Vendors. Tee-shirt. Medal. Opportunity Drawings. (MUST be present to WIN!)

WHO: Anyone wishing to take an active role in making a difference in the lives of people with Parkinson's disease patients.

WHEN: Saturday, 14 October, 2023 | Event Open: 7:30am | Start: 8:00am

WHERE: Embarcadero Marina Park South, San Diego. (Near Rady Shell.)

WHAT: To fund the Capital Campaign for the creation of a reliable resource center providing critically needed help for people with Parkinson's disease, their families, and caregivers. Programs designed by leading experts addressing education, information, and activities to name a few examples.

URGENT NEED: Approximately 18,000 San Diegans have Parkinson's. 1 million Americans have Parkinson's disease with 90,000 newly diagnosed annually. The need is great. Physicians, with their busy schedules have little time to educate and answer questions about Parkinson's disease. The Center can easily provide the answers by a learning resource that delivers evidence-based information enabling the ability to separate FACT from FICTION.
